## Coriso

2001 16.1h  
Imported Holsteiner  
Brown Gelding  
\$85,000

Coriso is Mr. Personality Plus. He is very intelligent, has a wonderful personality and really likes to work. His excellent pedigree includes many well known jumpers and jumper sires such as Capitol 1, Landgraf 1, Caletfco II, Lady Killer and Ramiro.

Coriso was imported from Germany by Plum Creek Hollow Farm as a six year old in 2007. While he has been at Plum Creek Hollow he has received excellent and classic training to develop his full potential as a show jumper. He has participated in several clinics at Plum Creek Hollow (including Greg Best and Dale Feterson and Karsten Huck) and has successful show mileage as well.

This very special and talented gelding is schooling at a meter thirty to forty, which is effortless for him. He is the right age and at the perfect stage in training for someone to take on and really go places.

Coriso is easy and fun to ride (a barn favorite!), has a tremendous amount of scope, demonstrates an enviable work ethic, and is easy to be around. He is careful, willing and brave. He gives a wonderful feeling to his rider at bigger jumps.

Coriso is a perfect partner for a Young Rider or Amateur. He doesn't require a professional ride, but Pros would really appreciate the talent and attitude of this wonderful horse.
