For The Good Times

Hanoverian
Dark Bay Gelding
\$40,000

This very attractive gelding by For Paragon (For Pleasure) was born right across the road from Plum Creek Hollow Farm. He is a nice mover and was started as a dressage horse, but soon showed talent as a hunter. He has show mileage from Aspen, Parker, Larkspur and Estes Park, Colorado. He won top ribbons in Parker (High Prairie Farm) and the Colorado Hunter Jumper Association Show in Larkspur in September, 2009, both over fences and the hack.

Good Times is easy to ride and always jumps, even when the rider has it all wrong. He has no vices, is easy to get along with, has a laid back temperament and is a nice mover. He would be suitable for an advanced beginner under a trainer, or an intermediate rider. He is easy to be around, easy to bathe, groom, clip, shoe and trailer.

This attractive nine year old would also be a good equitation horse. He is comfortable and easy over any jump and water is no problem for him.
