## El Lolita

2003 16.3h  
Imported Hanoverian  
Dark Brown/Black  
\$50,000

Lolita the must have for the amateur rider that wants to succeed! This pretty 7 yr old black mare was the star in our recent Greg Best clinic. With her rideability and her scopy jump she showed everyone how it is done.

Lolita is always positive, friendly and a pleasure to ride. She carries you to the jump and makes everything look easy. She is brave, will jump out of every distance and always try as hard as possible.

She can go 1.20m - 1.30m classes right away and has the scope for a lot more.

This lovely mare will not be here for long at this price! She will be at the spring series at the Colorado Horse Park.

Come and take a look or call us for an appointment.
