Rouletta

2006 16.1h
American Oldenburg
Chestnut Filly
\$25,000

This very attractive filly shows great promise as a dressage prospect, jumper or fancy hunter. She is by the fabulous German dressage stallion, Rubin Royal (Rohdiamant/Rubinstein), and out of an imported Cordeur (Cor de la Bryere) mare, Gabrice, who is producing amazing babies for us at Plum Creek Hollow.

Rouletta is a spectacular mover and demonstrates a really good hunter-type jump in the free jumping chute. To watch her trot, canter and jump is really a treat. In addition to how she performs, she has a wonderful character and excellent conformation. Her full sister, Rhapsodic, is successfully competing in Germany in the Young Horse classes. Rouletta's dam, Gabrice, has produced exceptional foals, two by Rubin Royal, one by Hotline, and two by Weltissimo.

Rouletta was imported in-utero and we are confident that she will become something very special. She was started lightly under saddle in the spring of 2009, turned out for the summer and is now back under saddle and in light work.

She is confident under saddle at the walk, trot and canter and is a pleasure to work with and around. She is good for the farrier and easy to bathe, vacuum and groom. She is a sweetheart and destined for great things.
