## Blackie

2004 15.1h  
Black and White Gelding  
\$15,500

This super special gelding with just the right amount of black and white has a wonderful and kind personality and really likes to jump!

He is quite and fun to trail ride outside, crosses water, doesn't spook, and as you can see from the picture, he is a very good jumper. He is willing, brave, confident and careful.

Blackie has been in solid training for a year, so he has a lot of training for a five year old. He has had excellent classic training during that time and is well schooled on the flat and over fences. Blackie will be a wonderful partner for a small adult or a youngster graduating from ponies.

We can't say enough nice things about this special little horse. He earned good ribbons at his first show last summer and has a good enough mind to deal with the shows.
